To Whom It May Concern:

It is with great pleasure and enthusiasm that I provide you with a letter of recommendation and endorsement for The Dooley Brothers as a professional, fun, and energetic entertainment group as a consideration for your agency's upcoming event.

I have had the esteemed privilege and benefit of working with the Dooley Brothers in a variety of private and public settings, including most recently at The Morton Arboretum and for the Village of Algonquin. The group is punctual, able to read, respond to, and engage their audience members, they provide an excellent repertoire of music, and they consistently strive to exceed excellence in all facets of event entertainment. The Dooleys are always flexible with event changes and clearly communicate any needs with plenty of advance notice.

I am delighted to repeatedly partner with The Dooley Brothers for our events and recommend them for future events. I am confident they will make an excellent fit and provide quality entertainment for your signature occasions.

Yours in Recreation,

Sarah A. O'Donnell
